## IN MY WORDS

“Strategy is not really a solo sport – even if you’re the CEO.”

My passion, creativity and self-belief have put me where I am. I have crystal clear vision. I value time more than anything and believe in theory of karma. Yoga, photography, traveling and work-out are anytime yes for me.

## SKILLS

I am a leader who can play any requisite role to complement teamwork and achieve results.

## EXPERIENCE

### FOUNDER AND CEO • SYNERSOFT TECHNOLOGIES PVT LTD • 2008 TILL DATE

My full time involvement at **Synersoft** is to accomplish Commercialization of Award Winning Innovations, Fund Raising, Investors Relations, and Strategic Alliances.

Founded **Synersoft** to become Indian **SME** focused product company. I have led **Synersoft** in successfully commercializing **BLACKbox** from an idea to a brand. **BLACKbox** is now a branded B2B **SME** focused Hardware+Software+Cloud product.

I am leading specific technology commercialization projects at **Synersoft** which help Indian SMEs to overcome challenges arising from adoption of Information Technology. We are focused on providing affordable and simple solutions to SMEs to achieve Business Continuity and Competitiveness by Data Preservation, Data Theft Prevention, Software License Cost Minimization, Information Security, and Anti-Fraud Systems.

### AT VARIOUS FOLLOWER - LEADER POSITIONS • VARIOUS IT ENTERPRISES • FROM 1994 TO 2008

From Management Trainee to senior positions to entrepreneurship, through various opportunities in IT, I have evolved and still evolving.
